quality air analysis

Gary Delph ★ President

Gary Delph is the co-owner of a local environmental laboratory, ENVision Laboratories, Inc. ENVision Laboratories has been locally owned and operated in Indianapolis since 2004. He has over 26 years of experience in the area of environmental testing. Mr. Delph's area of experience and expertise are in the areas of Sales/Marketing, ICP Metals and GC/MS analysis. Mr. Delph is bringing his expertise of soil and water analysis into the air quality testing business. EnvisionAir opened May 16th 2011 in Indianapolis and operates under the same management and business principles that have helped ENVision Laboratories Inc. become an industry leader in the environmental testing industry.

Mr. Delph graduated from Tulane University with a Bachelor of Science degree and a major in Biology. After graduating from Tulane, Gary spent 4 years as a chemist for NET (National Environmental Testing) labs. Mr. Delph then spent the next 12 years as a Business Development Manager/Senior Account Executive in the Indianapolis environmental testing business. In August of 2004, Travis Garret and he started ENVision Laboratories, Inc. Gary is married and has three children.
